

Help your customers  
fill the gaps in their  
appliance manufacturer's  
warranty coverage

## Extended PROTECTION PLAN

### Why choose Home Warranty?

**Protection when your customers need it.**

There's no getting around it—appliances occasionally break down. And when they do, we're here to help!

**Help your customers protect their investment.**

Average repair cost is \$175—our plan could pay for itself in one repair.

**We make it affordable for your customers.**

\$230 covers an appliance\* for 5 years.

**We offer 2 coverage options for your customers.**

Choose 3 or 5-year coverage options with **new** appliances covered up to the purchase price (less sales tax).

**Your customers can choose their own qualified local contractor.**

However, if they don't have their own contractor in mind, they can use one of our Preferred Contractors for service.

**We're customer focused.**

Customers will talk to a live person at Home Warranty in less than 1 minute, 95% of the time.

**Industry-competitive terms.**

We provide allowances for laundromat and food spoilage.

**Add another revenue  
stream for your business!**

**Build customer loyalty by helping  
extend the life of their purchase!**
